# SIRIVURI SRINIVASA SANDEEP VARMA

Visakhapatnam (530041), Andhra Pradesh, India
Email: sandeepvarma7466@gmail.com | Phone: +91 79952 87466 | Portfolio: www.sandeepvarma.space

## OBJECTIVE

Motivated high school graduate with hands-on experience managing daily cafe inventory and growing a student networking startup. Applying for a Bachelor of Business Administration (BBA) program to turn these real-world skills into a strong academic foundation in finance, strategy, and management.

## EDUCATION

**Achievvers Junior College** | Visakhapatnam, India **Second Year (APBIE) - MPC Stream** | Completed June 2026
Award: Certificate of Appreciation for maintaining a 100% Attendance Record.

**Narayana E.M. School** | Visakhapatnam, India **Class X (SSC Board)** | Passed May 2024

## HONORS & ACHIEVEMENTS

**NSS Gerard K. O'Neill Space Settlement Contest (2023):** 1st Place Winner (School Rank 1) for co-authoring a 57-page engineering and financial proposal for Project Aasha, a 40,000-resident orbital settlement.

**Google Foundations of Project Management (Coursera):** Learned the project life cycle, the role of a project manager, how teams and organizations are structured, and Agile and Waterfall methods.

**Google AI Professional Certificate (Coursera):** Eight courses on using generative AI for planning, research, data analysis and writing, including clear prompting and checking outputs for accuracy and bias.

**Data Science Math Skills (Duke University / Coursera):** Set theory, probability, algebra, and calculus for data analysis.

**Google Foundations of Cybersecurity (Coursera):** Basics of security risks, threats, and how to protect systems and data.

**Robotics & AI Certification (Great Learning):** Sensor-driven robotics automation and introductory AI concepts.

**Sports Meet 2023:** Team Gold Medalist in the 9th Grade Annual Badminton Sports Meet.

## TECHNICAL PROJECTS & HANDS-ON EXPERIENCE

**Founding Team Member (Marketing & Growth) | ThePeerWave | Remote, Flexible | Oct 2026 to Present:**

- Helping build and grow a peer-to-peer student networking platform with live global lounges and student directories.
- Manage official social media profiles and create targeted content to organically grow the student user base.
- Test site features, find technical bugs, and improve the overall user experience.

**Store & Inventory Assistant (Part-Time, 20 hrs/week) | 90s Cafe | Aug 2026 to Oct 2026:**

- Tracked daily stock for 50+ cafe ingredients and supplies to prevent shortages and minimize waste.
- Kept organized records of store purchases, vendor deliveries, and daily sales.
- Assisted with kitchen prep and customer orders during busy evening hours.

**Project Aasha | NSS Gerard K. O'Neill Space Settlement Contest (2023):**

- Co-designed a 6-torus orbital settlement in Geosynchronous Orbit (GEO) housing 40,000 residents as part of an 8-member team.
- Created a $1.59 trillion financial budget covering hull materials, solar panels, and internal transport, plus an asteroid mining revenue model.
- Planned daily city operations, including a 40.58 million liter water supply, 134 tons of daily waste recycling, and employee pension policies.

## COMMUNITY SERVICE

**Gananayaka Youth (Annadhanam) | Core Logistics Volunteer, Visakhapatnam, India | 2026**

- Helped organize a community meal distribution, coordinating crowd flow and serving food to over 1,700 people.
- Managed bulk grocery buying and tracked supplies to ensure zero food waste during the event.

## SKILLS

**Languages:** Telugu (Native), English (Fluent), Hindi (Conversational), German (B1, Intermediate).

**Business & Operations:** Project Planning, Budgeting, Social Media Content and Audience Growth, Logistics Coordination, Inventory and Vendor Record-Keeping.

**Data & Digital Tools:** Python (Basic), Spreadsheets (Basic, used for budgets and records), Introductory Demographic Modeling.

**Technical:** Website Testing and Bug Reporting, Cybersecurity Basics.
